FOR LIFE

**Morley College
London offers a wide
range of courses for
16-18 year olds, which
are based at our
Chelsea and North
Kensington centres.**

Here you'll be able to grow your talents and enhance your skills and abilities in a field of your choice. Not only will you be able to study a subject of your choice, led by our expert tutors, but you'll be able to absorb the energy of college life. This will be one of the first steps you'll take into feeling like an adult, as you'll be responsible for managing your own time whilst you study with us. This will enable you to experience a more practical way of learning and to prepare you for study at university or for employment.

We encourage independent learning, collaboration with like-minded others and practical means of learning.

Morley College London also provides you with the flexibility of studying full time or even part time.

Some of our courses where you can experience and enjoy this type of learning includes, Art, Design, Media, IT and Computing, Business and much more. You'll also have the opportunity to study for qualifications in English and Maths if you haven't achieved these in the past and we will continue to support you throughout the duration of your studies with us.

You will be mentored and guided by passionate tutors who will be able to help you achieve the necessary skills required for success.

You will forge close relations with tutors and other students, allowing you to build great relations with others whilst learning on site. You'll be able to benefit immensely from a uniquely tailored and specialist learning experience!
